WASEY MANUFACTURING LTD

Online Product Shop Opens May 2022.

May 2022 sees the launch of Wasey Manufacturing's online product shop.

We have a wide range of products available, why not take a look and see our product range? Just click [HERE](#)?

Here's a little bit about us...

WELCOME TO WASEY MANUFACTURING

From our manufacturing facility based in Warrington, we are proud of our reputation as one of the leading tube manipulators and metal fabrication exponents based in the UK. Established in 2005, we have built up and maintained an excellent reputation with our customers for reliability, quality and competitiveness within the metal fabrications industry.

Certified to ISO 9001-2015, we have an extensive range of modern tube bending and metal fabrication equipment alongside of our highly skilled team trained in metal fabrication techniques and practises. We encourage you to browse our website and photo gallery and please feel free to make an enquiry or visit our online shop for tubular parts and accessories. Whatever the customer requirements are we can usually find a way to help achieve their goals.

WASEY MANUFACTURING CARRY A FULL RANGE OF BENDS AND ACCESSORIES IN STOCK.

Feel free to browse our range of parts.
